- **Kathryn – Information Sites** . . . Facebook group being formed . . . This will be run by Vestry as opposed to by Robyn and Staff. Think of this as “Coffee Hour in a Digital Space” . . . Church of Holy Communion has a similar site, started during the pandemic. Kathryn has met with Carter Webster and Hester Mathes to discuss their site. . . Warnings that this kind of site can, at times, be a bit messy and needs to be moderated. . . Hester has been pleased with the number of pastoral issues raised / discussed on their site which have been helpful with CHC’s pastoral care ministries. . . The Information Sites group has met with Robyn to discuss pros and cons . . . Also discussion of a second virtual site: Instagram Takeover . . . video and short-story presentations.
- **David** – discussion of banners and greeters for awning entry (east door) . . . flowers and information materials in initial part of entry area to make the entry into the building more welcoming.
- **Nancy** – west door . . . Ideas echo those of the “east door team”, incorporating the use of greeters and small banners

**Closing Discussions . . .**

**Kathryn – discussion of Vestry “hosting” the first coffee hour** . . . Vestry members wear name tags so parishioners know who to talk to with about Vestry-related topics. Further discussion on Basecamp.
